

HELD AS FORD BLACKMAILER

DETROIT, Nov. 14.—An indictment charging use of the mails to defraud was returned by the Federal Grand Jury here to-day against Jacob Yellin, arrested recently in connection with the alleged plot to export \$10,000 from Henry Ford, son of Henry Ford.

Yellin was arrested after Edward Ford received a letter threatening the safety of his infant son, Henry Ford III, if \$10,000 was not sent to an appointed place.

Yellin stood mute and a plea of not guilty was entered by the court. He was held for trial to \$10,000 bail.

ARE YOU EXEMPT? NEW DRAFT RULES PUT IT UP TO YOU

Except in Gravest Emergency, Only Men of First Class Will Be Called to Colors.

WASHINGTON, Nov. 14.—The five classes into which 3,000,000 men registered for military duty, and those who are registered hereafter—are divided, and the order in which they will be called for service were officially announced to-day in the Provost Marshal General's questionnaire.

It is estimated that the first of the five classes will contain more than 2,000,000 men subject for duty with the colors before any man in other class will be called up.

It is regarded as practically certain that Congress will take up the question of extending the draft law to cover men who have attained the age of twenty-one since it was enacted. Should that be done and provision made for the registration thereafter of every man as he reached that age, it is probable that perhaps 600,000 would be added to Class No. 1 automatically by next March.

The questionnaire indicates that only men of the first class will be called to the colors, except in the gravest emergency. The five official classifications of registrants follow:

CLASS I.

(A) Single man without dependent relatives.

(B) Married man, with or without children, or father of motherless children, who has habitually failed to support his family.

(C) Married man dependent on wife for support.

(D) Married man, with or without children, or father of motherless children; man not usefully engaged, family supported by income independent of his labor.

(E) Unskilled farm laborer.

(F) Unskilled industrial laborer.

Registrant by or in respect of whom no deferred classification is claimed or made.

Registrant who fails to submit questionnaire and in respect of whom no deferred classification is claimed or made.

All registrants not included in any other division in this schedule.

CLASS II.

(A) Married man with children or father of motherless children, where such wife or children or such motherless children are not mainly dependent upon his labor for support for the reason that there are other reasonably certain sources of adequate support (excluding earnings or possible earnings from the labor of the wife) available, and that the removal of the registrant will not deprive such dependents of support.

(B) Married man, without children, whose wife, although the registrant is engaged in a useful occupation, is not mainly dependent upon his labor for support, for the reason that the wife is skilled in some special class of work which she is physically able to perform and in which she is employed, or in which there is an immediate opening for her under conditions that will enable her to support herself decently and without suffering or hardship.

(C) Necessary skilled farm laborer in necessary agricultural enterprise.

(D) Necessary skilled industrial laborer in necessary industrial enterprise.

liberal in necessary industrial enterprise.

CLASS III.

(A) Man with dependent children not his own but toward whom he stands in relation of parent.

(D) Necessary sole managing, controlling or directing head of necessary industrial enterprise.

CLASS V.
